It would probably not endear me to my fellow residents if I hung up a sign in the laundry room of my apartment building reading:

MANDATED PENALTY FOR FAILURE TO CLEAN THE LINT TRAP:

CLONING FROM RECOVERED DNA

ANY RESULTS FROM SAME TO BE DISTRIBUTED USING CHANNELS AS DESCRIBED IN THE FBI LAW ENFORCEMENT BULLETIN APRIL 2007, "INVESTIGATING HUMAN TRAFFICKING". (<https://www.livejournal.com/away?to=http%3A//www.fbi.gov/publications/leb/2007/april07leb.pdf>).

"

PROCEEDS TO DEFRAY DRYER REPAIR.

would it?

And yeah. They would probably know it was me.

### ...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Stress=evolutionary tactic.

Your apartment building wants you to evolve.

You know they're going to burn it down.

Although if we cloned them from dryer lint, we'd wind up with some sort of thing Vincent Price would smash with a rock.

For saving Todd's life with a meatball sub today, I forgive you the sexual harassment.

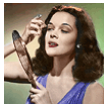

Nose stopped bleeding yet? Come bang on my door when you're cleaned up and we'll hit that lobster place you spotted.
